Please return application to a cashier at Astoria Co-op Grocery located at 1355 Exchange Street Astoria, OR 97103 (open 8-8 daily). Or you can email a PDF or scanned copy of your application to store@astoria.coop. Our Board of Directors will select new fund recipients each quarter. We will notify you in advance if your organization has been selected. If selected, shoppers who bring a reusable bag to the Co-op will get a bean from a cashier. Each bean represents 5 cents. The shopper then chooses one of three jars (each representing a different local non-profit) to place the bean. At the end of a three-month period, we'll count the beans and send you a check! During the quarter in which you are featured, please encourage your supporters to shop with us and donate their bean to you.
